
Rosstech VCDS 11115 Keygenrar ~REPACK~

August 5, 2017 - VCDS serial number: C?ID=313231. A lot of config on my new, roughly translated from the Swedish config (all stock from the factory):
C:\Program Files (x86)\VCDS\bin\C:\Users\admin\AppData\Local\VCDS\VCDS_R01_C.exe
S:\VCDS\C\VCDS_R01_S.exe VCDS - R01-C.exe is an old version of a program that allows you to perform vehicle diagnostics. I installed it on my new laptop to test that it works under Windows 10. Once I installed the program, I found that it was very slow. I checked the software compatibility and it was compatible with Windows 10 (Version 1803).
