Principles of Muhammadan Law Th 1 It is not considered irregular in the system of Islam to be married for merely desirous or optional reasons. It is only considered to be irregular if the husband, the wife or the other is be contented only or mainly with each other. If any other motive arises in the mind of the contracting parties, it is not considered to be legal or effective. If the other party of the contract is not contented with the way of life of Islam and follows an impure system of life and practice, even if the contracting parties are contented, they cannot sanctify the marriage by a pre-established contract (nikah). Sony Europe is reportedly ready to deliver on that promise, telling VG that a PS3 Netflix is coming soon. "We're just waiting on a license from the company to launch this service for PlayStation 3," the rep told VG. The PS3 version of the popular streaming service will likely be exclusive to Norway and will support Norwegian, Swedish and Danish. In addition to Netflix, it will also support Qello, a PS3 streaming app for movies. As for bringing the streaming service to other international markets, we're not holding our breath. Sony's past history with the PlayStation business has led many to believe that the Japanese company is more interested in cashing in on those markets than carving out a genuine platform for itself. We'll have to wait and see how that pans out when Netflix launches for the PS3.Q: Specialisation of template with non-const parameter causes error I've reduced the problem to a code snippet which replicates the error. #include template struct A {}; template struct B : A {}; template class C {}; template struct D : B {}; template struct E : D {}; template void f(const T& t) { std::cout void f(T& t) { std::cout 570a42141b
